1. NO BAIL, NO PROBLEM

First of all, you can't pay bail because Sweden doesn't have a bail system. This one might be tricky to understand (even for a very stable genius) but it means you can't buy your way to freedom.

2. DON'T CALL STEFAN

What might be "a very good call" to the Prime Minister of Sweden will not make any difference at all. Our ministers can't comment or make any statements about an individual case. So that will be a waste of time. Kind of like building a border wall.

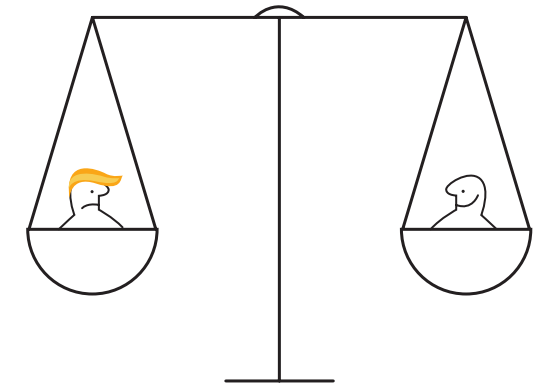

3. NO MEDDLING, PLEASE

Unlike other places *cough cough* presidents can't interfere with an ongoing investigation. While waiting you could grab a traditional Swedish "fika" and maybe a covfefe? Enjoy!

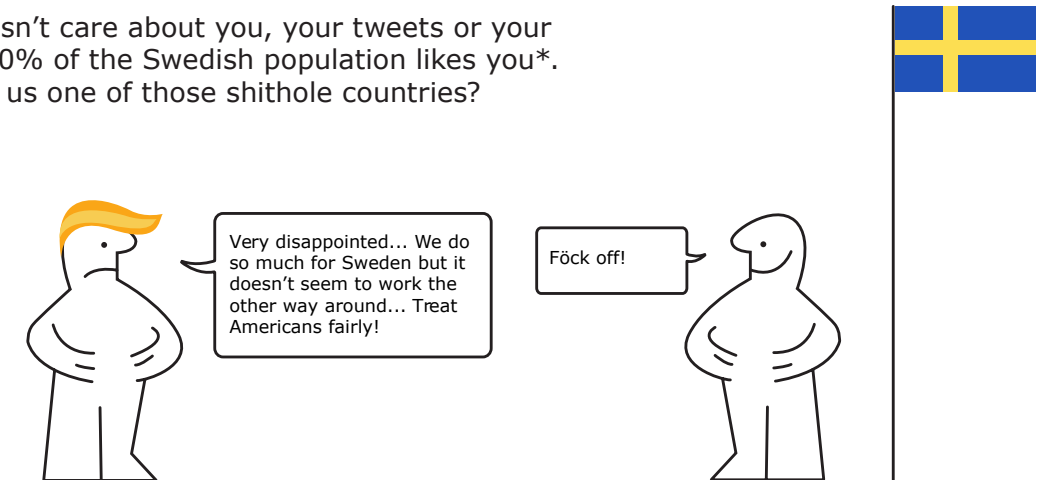

4. EVERYONE'S EQUAL

In Sweden, everyone is equal before the law. So the government can't and will not attempt to influence the legal proceeding. Even if you know words. And have the best words too.

5. SWEDES DON'T CARE

Sorry, but Sweden doesn't care about you, your tweets or your attacks. In fact, only 10% of the Swedish population likes you*. But maybe that makes us one of those shithole countries?

6. FAKE NEWS, FOLKS!

Last but not least, you did not influence the outcome of this case. A\$AP Rocky was released but is still awaiting his verdict. You just have to wait until August 14. So all those MAGA-tweets claiming "came through again" — well, hate to break it to you, but it's fake news.

Donald J. Trump

A\$AP Rocky released from prison and on his way home to the United States from Sweden. It was a Rocky Week, get home ASAP A\$AP!

MAGA-fan

President Trump comes through again.... He's always looking out for his fellow Americans. Best President ever!
